

Golf Tournament Fundraiser

Hospitals For Humanity (HFH) is a non-profit organization dedicated to decrease barriers to healthcare for people living in the least developed countries of the world.

Our goal is to provide medical care, thereby improving the quality of life for those who are in greatest need. Through the construction of modern medical facilities, and organizing Medical Mission Initiatives (MMIs), Hospitals For Humanity strives to build a lasting infrastructure to carry out sustained improvements in the global healthcare delivery system.

With time, effort, cooperation, and your support we can all make an enormous difference in thousands of lives.

Your support in this Golf Tournament Fundraiser will provide assistance to Hospitals For Humanity to obtain much needed medical resources that enable our volunteer physicians, nurses, medical students, and other healthcare providers to bring modern healthcare to remote Africa and Haiti.

Thank you for your support!

You're Not A Golfer?

If you're not a golfer, you can still attend the Hospitals For Humanity Fundraiser. Simply join us for 6pm dinner at the beautiful Elks Country Club.

Known not only for its beautiful golf course, "The Elks" is an excellent choice for fine food served in a lovely atmosphere near the Kankakee River.

Please join Hospitals For Humanity July 16 at 6pm for a delicious NY Strip Steak/Chicken dinner.

In addition to dinner you will learn more about HFH and see the day's winning golfers receive awards. You'll meet some of the HFH medical volunteers who have traveled to Africa and Haiti on medical missions, and also participate in the fun silent auction!

Even if you don't golf, you *do* still have to eat, so come and join us!
